RAKING LINES IN DIRT REFINES A SOLDIER'S ATTENTION TO DETAIL, WORK ETHIC, AND WILLINGNESS TO PERFORM POINTLESS TASKS JUST BECAUSE WE SAY SO. THE LINES SYMBOLIZE HOW SOLDIERS WORK TOGETHER, STAYING BY EACH OTHER'S SIDE IN COMBAT.

UPON COMPLETION OF THE INTENSE SOIL UNIFORMITY CORRUGATION KINETICS [SUCK] COURSE, SOLDIERS USE THE AUTHORIZED LINE RAKING TOOL [LRT] TO CREATE DRESS-RIGHT-DRESS DIVISIONS BETWEEN GRAINS OF SOIL AROUND THE COMPANY BUILDING. THE AMOUNT OF SUCK INVOLVED PROMOTES A DESIRE TO PHASE UP AND MOVE ON TO TASKS THAT ACTUALLY MATTER IN COMBAT.
